

Instrumental Lessons - Sign Up for next Year!

We're really pleased to be offering another year of instrumental and drama lessons in school. Whether your child is brand new to their instrument or continuing from last year, we'd love to have them on board.

Lessons take place during the school day and are a brilliant way for students to build confidence, creativity, and a lifelong love of music, all while having loads of fun.

Spaces are limited and tend to fill up quickly, so if you're keen for your child to take part, we strongly recommend signing up as soon as possible once the new process opens. If your child already has music lessons, please make sure to sign them up again for the new year.

We've updated the way sign-ups work this year, and full details (along with the new sign-up link) will be sent out straight after half term. Keep an eye on your inbox!

We're looking forward to a fantastic year of music-making.
